# NELCO 2016

## This Summer Coming in the Greater Boston area

The New England LARP Conference is a multi-tradition event focused on the craft of LARP. It will be a weekend of LARP discussions, panels, workshops and build-your-own games.

NELCO is not a gaming convention. NELCO is about the art form of LARPing; writingLARPs, runningLARPs, and preparing to play in a LARP. Last year's conference included panels on Character Writing, Mechanics, Sewing for LARP, Prop Construction, and much more.

Entrance to NELCO is \$20 for the weekend, which can be paid during Intercon P at Ops.

**Contact Stephanie Davis for more info or to  
propose a panel or workshop at
